

MODEL: SL26-LED | INTEGRATED LED STEP LIGHT

Small professional-grade surface mounted step light. This sleek, modern step light features an open faceplate, making it perfect for illuminating steps and walkways while showcasing the light source for added aesthetic appeal. Designed for installation in existing hardscapes such as stairs and walls, this fixture mounts flush to the surface and does not require or include a mudbox. Wood anchors are provided; for other surfaces, please select appropriate anchors. It is recommended to leave some slack in the wire to facilitate future maintenance.

CONSTRUCTION: Solid cast brass face plate.

FINISH: Classic aged brass or modern premium black overcoat.

LENS: Frosted open face plate.

LIGHT SOURCE: Integrated LED module pre-connected to the wire lead.

MOUNTING: Surface-mounted (backless), does not have/require a junction box.

WIRING: Pre-Installed 25' wire lead. Brown wire with aged brass finish, black wire with black overcoat.

WARRANTY: 10 year warranty on LED components and fixture housing.

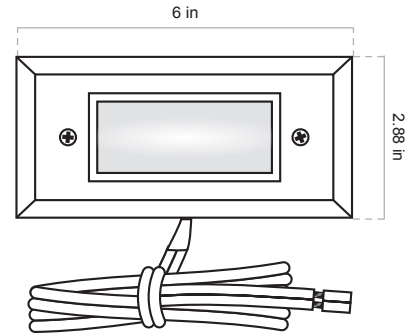

CERTIFICATIONS: Complies with the requirements of UL-1838 and CAN/CSA-C22.2 No. 250.7. Identified with the ETL & cETL Listed Mark.
