

MODEL: AL400 | AREA LIGHT HAT

Large triangular die-cast brass area light hat. Designed cutouts perfect for any pathway, driveway, flower bed and more. Constructed to evenly diffuse light spread and maximize brightness. Available with your choice of clear or frosted polycarbonate lens. Designed for easy inventory, and mix-and-match design flexibility, our area lights are ordered in two components. 1.) Choose the desired hat. 2.) Then choose your stem height and light source (see stem options below).

CONSTRUCTION: Die-cast solid brass hat with cutouts. Reflective white coating under hat to create an even diffused light spread.	STEM: Not included, sold separately.
FINISH: Classic aged brass or premium black overcoat.	WARRANTY: Lifetime warranty.
LENS: Clear and frosted polycarbonate lens included.
