

MODEL: AL850 | AREA LIGHT HAT

Commercial die-cast brass area light hat. Mushroom style design perfect for any pathway, driveway, flower bed and more. Constructed to evenly diffuse light spread and maximize brightness. Frosted polycarbonate lens is siliconed into the hat. Designed for easy inventory, and mix-and-match design flexibility, our area lights are ordered in two components. 1.) Choose the desired hat. 2.) Then choose your stem height and light source (see stem options below). Bluetooth® stem options are not compatible with that hat.

CONSTRUCTION: Die-cast solid brass hat. Reflective white coating under hat to create an even diffused light spread.	STEM: Not included, sold separately.
FINISH: Classic aged brass or premium black overcoat.	WARRANTY: Lifetime warranty.
LENS: Frosted polycarbonate lens included.	

DIMENSIONS:

Hat Diameter	8 inches
Hat Height	4.25 inches
