

it2 Intelligent Transformer

Smart Lighting,
Simple Controls.

ZONING CAPABILITY

CONTROL UP TO 3 ZONES

- Wire zones into marked terminals
- Program each zone independently, right in the app
- Create schedules for security, ambiance, or efficiency

Example of Zoning for greater control:

1. Welcome Home lights for curb appeal
2. Perimeter lights for all-night security
3. Backyard lights for entertaining and evening use.

INTUITIVE

CONTRACTOR-FRIENDLY

- Smart design cabinet for easy wiring
- Manual override for system testing
- Digital power meter in app for system diagnostics

CONVENIENT

APP CONTROLLED

- Easy on-screen set-up
- Remote control from anywhere with WiFi
- Voice control with Amazon Alexa®
